Cell Group Discussion Questions

1. How does what was visual to the natural eyes determine how majority of the spies respond when it came to taking the promised land? What made Caleb's response so different in Number 13:30? What could be a promised land in our lives and what should be our focus?
2. How can we release our faith through our prayers and how is God glorified when our prayers are answered? Have you experienced answer to a prayer of faith?
3. What is the power of our confession and our words? How can our confessions sometimes be a hindrance for faith to be active in our lives? What can we do to change that?
4. How do we release faith through obedience? What are some cases would we need to step out in obedience and faith?
