Cell Group Discussion Questions

1. Why had the prodigal son ended where he did in Luke 15:15-16? How can we explain freewill to pre-believers and help them to understand that God wants people to choose Him?
2. How can we explain the gospel and salvation to people? What experience do you have in sharing the gospel with a pre-believer.
3. How does the father receive the prodigal son and how is that an image of God receiving us when we turn to Him?
