

Prayer Pointers (Jul 2024)

1. Pray for In Christ Singapore, for the mission of the church. Pray that we be a church that welcomes the presence of God. We pray that as we worship here at M Hotel, that we will be the blessing that we are called to be to the community around us. We pray that God's presence and Spirit will be strong among us at all our weekly Sunday services. We pray that as people join us for the service, for Kids Church and for the Youth Fellowship, that they will experience Your love, grace, and mercy in action through us. We pray too as we welcome another church congregation to M Hotel, may we extend love and graciousness as we adjust to sharing the space. May we be good ambassadors of your love to those we meet.
2. We pray for the children as they settle into their new venue for Kids Church. May Your presence go before them as they familiarise themselves in the new room. . We pray that the different aspects associated with the move be well looked into and commit the transition into Your hands. We pray that J Collyer will be a location that will be blessed because You are there, and that the children will grow stronger in their faith. May their comings and goings be blessed and that You continue to watch over them and protect them as they play and learn more about You. May it be a vibrant place of worship, for the children to invite friends to learn more about You at upcoming outreach events. May Your name be glorified in this place!
3. We thank You for the community walkabout last weekend and those we met along the way. We pray that You continue to minister to them and pave the way for them to join us for the gospel rallies. We pray for Your continued favour today as we prayer walk in the community again. May You open the doors for us and grant us men of peace in the neighbourhood. We lift up the 60 names we have been praying for over the past 2 weeks into Your hands as well. May they respond to our invitation and come for the healing and evangelistic rallies. We thank You for the opportunity to share the good news with our families and friends. We pray against any distraction that may take away from the message, but that all who attend will be blessed by the Word, and touched at their point of need.
4. We pray for the many Christ for All Nations (CFAN) gospel rallies being organised over the weekends of July 12-14 and 19-21 in Singapore. We pray for Your favour and protection as churches come together to reach the pre-believers in our community. We pray for receptive hearts, that they will respond when we invite them to attend the gospel rallies.
5. We especially lift up Evangelist Anne Marie and Evangelist Jenifer into Your hands. We thank You for their willingness to step up and dedicate their lives to the great commission. We pray You continue to minister to them as they prepare for the travel and the time of ministry in Singapore, and in In Christ Singapore. May You form a hedge of protection that surrounds them. Grant them strength for the weeks ahead and wisdom and discernment in their messages at our services. May the Word be so targeted and poignant to the congregation, that they cannot deny an encounter with You. We pray for our altar workers as well. Even as they prepare, may You strengthen them for the work ahead. May they work in tandem and unity with the evangelists and each other, for Your glory.

6. We pray for the Youth in our church. As the Youth Fellowship continues to meet on Sundays, may You be with each and every one of the leaders, helpers and youth. Unite them as they do life together as ICSG's youth fellowship. We thank You for the work You are doing in the lives of the youths, and may their faith grow from strength to strength. We thank You for the privilege to minister into their lives, and into the next generation of Christians. We pray for the impact that they are bringing to those around them.

We thank You for the policies and schemes that have been put in place to help alleviate the rising cost of living. We pray for a boldness upon the leaders, that they are able to execute policies that are fair and just to the residents. We continue to remember those who may be negatively impacted by business reorganisation or restructuring. We pray that You continue to provide for them. Grant them wisdom to know what next steps to take, and a peace and assurance that can only come from You. May they stand rooted in You, and to continue to praise You for the work You are still doing in their lives. We pray for continued political stability in Singapore too as she gears up for elections within the coming year.

We pray that You will touch the hearts of the people and do a mighty work in the land. Equip and empower the next generation to be a powerful influence to the nations.
12. We pray for the wildfires currently affecting North California. May they remain calm as parts nearest the affected region have been declared a state of emergency with large areas evacuated. Protect the frontliners as they battle to contain the fires and assist the public. May they remain strong in the face of disaster. We pray that You watch over the weak and vulnerable. May they be able to seek adequate shelter to lessen the effects of heat stress. We pray for a reprieve too over other areas of US as they battle with the heatwave.

13. Pray that the political situations will stabilise in each of these regions (Israel-Gaza, Russia-Ukraine, North-South Korea, Taiwan-China, Myanmar-Thailand border). We pray for wisdom amongst the leaders, that they will be able to look beyond their political differences and exercise care for the regions. We pray that the common people of the land will be able to find lasting comfort, healing and hope that comes from You. We pray that they find strength for the challenges they face on a daily basis.
